GLUTEN-FREE RECIPE

WITH SALMON

## LARGE BREED

For large dogs and dogs that tend not to chew properly

A food for our insatiable connoisseurs, specially tailored to their requirements! The extra-large kibble size offers plenty of chewing fun and prevents excessive gobbling. With an increased fibre content for greater satiation and a reduced fat content, also suitable for our well-nourished chowhounds.

- Extra-large kibble size for big dogs
- Helps to reduce gorging
- With increased fibre content for greater satiation and a moderate fat content
- With salmon for tasty indulgence

### Big kibble size

The kibble size was especially developed for large breeds. The special size supports active chewing and prevents quick swallowing which occurs without proper chewing.

### Moderate energy content

This formula has a medium fat content and is particularly suitable for normally active dogs.

### Skeletal development

A well balanced calcium-phosphorus ratio, vitamin C, as well as manganese and copper, which are easy to absorb, support a strong bone structure and healthy joints.
